NARRATIVE:

Edward Pineda has an extensive adult criminal history that began at the age of 18. His convictions include carrying a concealed firearm, willful cruelty to a child, battery, multiple burglaries, receiving stolen property, multiple vehicle thefts, being under the influence of a controlled substance, vandalism, false identification to a peace officer, possession of marijuana, driving under the influence of alcohol and failing to report. He has served multiple state prison terms, the longest being a 2 year term for vehicle theft. Pineda was released from state prison to the supervision of the Los Angeles County Probation Department on December 7, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2015 after he absconded from post release community supervision (PRCS). Pineda qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for burglary is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
